

My template for translations: https://github.com/Vovkiv/fanfic-translation-template								Yes (Author owns rights on cover and I allowed to use it, include editing.)	
My fimfiction: https://www.fimfiction.net/user/595939/volkov									
List hosted here: https://github.com/Vovkiv/mlp_fics_that_i_plan_to_translate									
All fics here sorted in random order, so if some fic higher then other, it doesn't mean, that i would translate it in first place (or, at all)									
Fics from same series (e.g: «Long Road to Friendship» and «Spectacular Sever») will be connected to same border extra thick box. And number will represent order, in which each fic was writed.								Don't Own Rights (Author doesn't own rights on cover, so they took it from somewhere else. Doesn't matter, it author asked from artist or not about permission. I still need ask original artist about permission myself.)	
			Done (Fic is done, so it is safe to translate it.)	“Translated title” (Adapted/translated title.)	100 of 100 (Fic is 100% translated.)	[link] (Link to translated fic.)	Yes (I got permission to translate fic.)		
			Not Done (Fic is not yet done; Fic dead. I won't translate fic in this state, unless I really want to, but otherwise no.)	[Original] (Title cannot be translated; Author didn't allow to translated title; I didn't translated title yet;)	10 of 100 (Fic is not yet 100% translated.)	No (Author denied permission for translation; Link was removed for some reason, including author take down; I don't want to share with WIP translation yet;)	No (Author didn't allowed me to translate their fic; I Didn't asked about permission yet; I asked author about permission, but didn't got answer back;)	No (Author of fic owns rights on cover, but I can't use it; I didn't asked about permission yet; I asked author about permission, but didn't got answer back; Author didn't allowed me to translate fic; Fic doesn't have cover at all;)
